Reviewer's Comment / Report

The paper presents a strong, well-researched ecofeminist analysis of *Here Comes the Sun* by Nicole Dennis-Benn.

Strengths

✓ **Engaging Abstract** – The abstract effectively introduces the ecofeminist framework and key themes, such as gender, environmental degradation, and socio-economic marginalization. It clearly states the paper's objectives.

International Journal of Advanced Research

REVIEWER'S REPORT

- ✓ **Strong Theoretical Framework** – The paper successfully integrates ecofeminism and intersectionality, drawing on key scholars like Donahue (2019), Jakobsen, Padilla, & Horn (2021). The analysis links Margot's experiences to broader environmental and economic issues.
 - ✓ **Well-Selected Textual Evidence** – The inclusion of quotes from *Here Comes the Sun* enhances the argument, particularly in illustrating gender oppression and economic exploitation.
 - ✓ **Critical Insights on Tourism & Sex Work** – The paper effectively examines how Jamaica's tourism industry exploits both the environment and marginalized women, drawing meaningful connections between these forms of exploitation.
-

Final Assessment

- ✓ Overall, this is a compelling and well-researched paper with a strong argument.
